

Region 980 - Zion, IL REFEREE TRAINING 2011

Regional Referee Training

Saturday, **August 20th** from 8:00AM - 4:00PM
Zion Park District Leisure Center at 2400 Dowie Memorial Drive, Zion, IL 60099
(Lunch will be provided)

This course prepares volunteers for all aspects of regulation play for games at the U10 level and below. Minimum age requirement: 12 years old.

**The above training is supplied free of charge for all volunteers.
No previous experience or knowledge of soccer is needed!**

Some Notes on Volunteering to Referee

- Referees are scheduled based on their availability.
- Attending the Referee Training does not obligate you to referee a certain number of games, or even to referee every weekend.
- U8 Officials will generally referee their own player's games (hey, you're going to be there anyway, right?).
- Assistant Referees, if they are available and needed, will run the lines for their own player's games (once again...you're going to be there anyway, right?).
- Assistant Referees are also welcome to assist with other games.
- Regional Referees may assist with their own player's games, if needed, and may also volunteer to assist or center referee other games as needed and/or desired.

If you have any questions, contact Tom Hazinski, Regional Referee Administrator at regionalrefereeadministrator@ayso980.org. Please RSVP to ensure that there are enough training materials available for the course.
